

MAZAHARUL ISLAM

FULL-STACK WEB DEVELOPER

+8801797575932 - devmazaharul@gmail.com
Jessore, Dhaka, Bangladesh

PROJECTS

Done 24 Dec 2024	<u>Store Management App</u> Developing a Store Management App using the MERN stack ensures a full-stack JavaScript solution. The backend handles authentication, inventory management, and order processing. MongoDB stores product data, user details, and transactions efficiently. The frontend, developed with Next.js, provides a responsive UI for managing inventory, tracking sales, and generating reports.
Done 1 jan 2025	Chatting web app A chatting app build with Socket.io enables real-time messaging. MongoDB stores user data and chat history, while Express.js handle the backend. next.js provides a dynamic frontend, and Socket.io ensures instant bidirectional communication. Features include private chats, group messaging, typing indicators, and online status, making it fast and interactive.
Done 17 Nov 2024	Quiz applicatuion A quiz app using the MERN stack and Socket.io enables real-time multiplayer quizzes. MongoDB stores questions and scores, while Express.js and Node.js manage the backend. React.js provides a dynamic UI, and Socket.io ensures live interactions, instant score updates, and competitive gameplay, making quizzes engaging and interactive.

EDUCATION

Jessore govt. city collage 2021 - 2023	Higher Secondary Certificate Higher Secondary Certificate confirms completion of higher secondary education curriculum.
Rupdia Welfare Academy 2018 - 2020	Secondary School Certificate Secondary School Certificate verifies completion of secondary education curriculum.
